## JARDIN DE LA DANZA/DANCE GARDEN

Jardin de la Danza (Dance Garden) is a newly created dance program for children 3 to 8 years of age. The curriculum provides instruction in three dance forms; Mexican folk dance, modern dance, and classical ballet. Led by, Lorena Kessler Galvan-Duque, the course places a strong focus on developing locomotor movement, coordination, mathematics, the history of dance and also emphasizes sensitivity and teamwork,

An additional goal of Jardin de la Danza is to give new students the opportunity to sample a variety of dance idioms while showing them the value of studying multiples genres simultaneously. This program offers a range of training and conditioning that sharpens mental and physical prowess. Jardin de la Danza is the perfect program for those families looking to spark artistic interests in their young students.
