

## **HOUSTON IN ACTION**

Pledge to making  
sure that your  
community counts!

Too much is at stake for Harris County and the Houston region for everyone not to be counted in the #2020Census.

Commit to making sure that everyone counts and can get the resources that our students, workers, friends, and neighbors count on.

**#HTOWNCOUNTS**

When you take the pledge, you commit to completing the 2020 Census and making sure that your friends, family, and neighbors know that they matter—that the census matters.

I pledge to make sure my household is counted in the 2020 Census

It's ok to contact me

Name

---

Email

so we can follow up and so  
you know how to reach us

---

Phone

rather not ?

Just an email is fine too

---

Address

this helps us know which  
homes have completed  
the census

---

---

Zip

---

Now, our pledge to you: We will never share, sell, or use your information in any way other than to reach out to you about the census and other ways you can participate in our work.
