Fall 2022 – Spring 2023 | Parent and Student Code of Conduct

MECA is dedicated to providing its students with the highest quality of classical, contemporary, and multicultural performing and visual arts education. In order to do this, MECA students must observe program policies. For those students who are minors, parents must take responsibility for their children's artistic and academic growth by supporting these policies.

The need for a disciplined environment requires the following from our students and parents. **Please read through and initial that you accept our guidelines.**

Basic Rules _____

The need for a disciplined environment requires the following from students and parents:

- Monthly Payments are required the first week of each month. If payment is not made by the 15th of each month, student will not be able to continue class until payment is made.
- In order to start a class, you must register a week **PRIOR** to your first day of classes.
- **All past due fees MUST be paid prior to requesting an appointment for the Fall 2022 registration.**
- **Cancellations/absences should be communicated to the Out of School Director, Lizeth Gonzalez, by text/email prior to the missed class.**
- Minors are not to loiter outside the building. Minors are not allowed to leave campus for any reason, including walking to nearby stores and restaurants.
- Drugs, weapons, and abusive language are not permitted at MECA under any circumstance.
- Students must be on time for class, attend each class for the full length of session and be picked up promptly after class day is over
- Due to current health concerns, COVID-19, **no unauthorized visitors or parents are allowed in the building at any time.**
- See attachment for new policy and procedures due to COVID-19.

Out of consideration for the instructor, make up lessons can only be arranged if parent/student call before 12 pm on the day of scheduled class. If call to notify MECA of absence is not done by 12 pm, student is still responsible for class fee, NO MAKE UP lesson will be scheduled. After 2 consecutive cancellations, no matter the reason, we need to reevaluate continuance of the class. Be advised payment will be required to continuing to hold spot.

Disciplinary Action _____

Rules are made for the protection and well-being of the student body, and to promote the ideals of scholarship, character, and professional artistic conduct. Disregard of the rules of conduct calls for disciplinary action.

- First infraction: the student is given a verbal warning.
- Second infraction: a parent/teacher meeting is scheduled.
- Third infraction: if the problem persists, the student will be dismissed from MECA.

Policies By Art Discipline _____

Dance and ballet folklórico students must be properly attired for class: dance shoes/boots, casual clothes that do not restrict body movement. Dance shoes/boots are to use **ONLY** in the classroom; students should wear another pair of shoes to walk outside the classroom and building. Jewelry is not allowed in the classroom and/or stage unless it's part of costume. Hair must be pulled back off of the student's face.

*****Ballet Folklorico classes have a fee of \$55/month, this amount will not be prorated unless MECA/MECA Instructor has to cancel a class and does not provide a make-up class. Please initial confirming understand the guideline.**

Music and mariachi students are expected to provide their own instrument and accessories as well as take care of the instrument. This includes (where applicable) extra strings, valve oil, cleaning cloth, blank pages of staff paper, pencil, etc. If a student does not have an instrument, MECA may be able to rent an instrument to the student, depending on availability. Teachers may individually require students to also purchase instrument method books or other learning materials.

MECA Performances _____

Students (youth and adults) may participate in performances that are scheduled by MECA. Major productions may require an audition. Do not register for performance classes if you are not willing to participate in performances. MECA's performing arts students may be required, on occasion, to perform during school hours. If students are absolutely unable to leave school for performances, please inform the ensemble director or instructor of such conflicts. Students are eligible to audition for major productions, if they are enrolled during the semester(s) of the production. Only the most qualified students for the role will be selected. Being enrolled at MECA does not guarantee being cast in a MECA production.

Please be advised that any student participating in an outside professional or student instrumental or dance organization may NOT be allowed to join a MECA performing ensemble due to schedule conflicts that may arise with the other entity, as well as

time needed to attend to your academic studies. Visiting former MECA students now in college/university are exempt from this restriction.

Academic Requirement _____

It is required that student's turn in their report cards to Support Service department every 6 weeks of reporting time frame.

Students are expected to maintain a C average and above in all school classes. For this reason, MECA provides tutoring and other academic assistance for students who need it.

Students who fail to maintain a C average in their academic studies and who fail to meet with staff from MECA's Support Services Department to arrange tutoring and assistance will be restricted from performing and potentially suspended from arts classes until their grades improve. All students must meet monthly with MECA's Support Services Department to provide updates on their academic standing. Failure to provide requested information will prevent student from participating in MECA classes, activities and performances.

MECA pledges to promote, support, and encourage the best from each student. Therefore, the signatures of the student and/or parents are required on the application form, signifying understanding and agreement with the guidelines.
