Responsibilities

Supervising Campers

- Ensure the safety and well-being of all campers during activities and free time.

Modeling Positive Behavior and Communication

- Demonstrate positivity and encourage language with students.
- Engage actively with students during all activities.

Social Emotional Learning (SEL) Integration

- Implement SEL concepts to support emotional and social growth.
- Create a nurturing environment conducive to SEL development.

Program Planning and Adaptation

- Develop and execute age-appropriate activities.
- Ensure program content aligns with student safety, quality, and engagement needs.
- Adjust programming as necessary for indoor and outdoor environments.

Maintenance and Documentation

- Keep program areas, supplies, and equipment clean and well-maintained.
- Maintain accurate records and complete documentation promptly.

Collaboration and Relationship Building

- Establish and maintain positive relationships with students, parents, and colleagues.
- Work effectively with children from diverse backgrounds.
- Collaborate with other staff to coordinate schedules and ensure smooth program operation.

Other Assigned Duties

- Perform any other duties as assigned by program management.

Qualifications

- We encourage applicants who are currently enrolled in a college or university program to apply.
- 8-week commitment for the full duration of the summer camp program.
- Genuine enthusiasm for education and youth development.
- Experience working with children and youth in educational or recreational settings.
- Proficiency in delivering engaging and interactive learning experiences.
- Strong interpersonal and communication skills.
- Patience and the ability to work with diverse groups of students.
- Ability to implement positive behavior management strategies.
- Capacity to work collaboratively with colleagues, including teachers, camp staff, and administrators.
